

CAMAS ANTIQUES VENDOR APPLICATION

Thank you for your interest in becoming a Camas Antiques vendor! Being an antiques vendor is fun and rewarding, but it also takes a lot of hard work. It takes commitment and motivation. We thrive on providing our customers with quality merchandise that is well displayed, as presentation is important. How you display your merchandise will help sell it. Successful vendors work their space on a weekly basis, bringing in new merchandise and rearranging to keep it looking fresh and tidy. Merchandise must be antique, vintage and collectible. A sprinkling of newer merchandise is okay if it compliments your space. We are not a gift shop/crafters mall.

To be successful in this business you have to love it, embrace it, and be committed to it. If you think you can be a successful vendor, welcome to Camas Antiques!
